38mm POSTFORMED LAMINATE WORKTOPS, SPLASHBACKS & UPSTANDS

Making life nice & easy

Artis surfaces provide the stunning ambiance of quartz, stone, glass or solid wood at a fraction of their cost.

We include the latest technology **180fx** laminate designs, which are faithful representations of natural granite slabs or timber, perfectly depicting their patterns with rich colour variations and striking veins.

Unlike conventional laminates, **180fx** designs are printed to true scale proportion.

Dolce Vita (*Burnish*) worksurface and splashback

Artis Original 180fx designs

180fx

Dolce Macchiato

(*Burnish*)

With its coffee brown hue and background grey and copper tones, Dolce Macchiato is a perfect co-ordinate for minimalist kitchens that need extra drama.

This fabulous on-trend stone provides the perfect co-ordinate for grey or white fascias but is equally at home with modern woodgrains.

180fx

Dolce Vita

(*Burnish*)

Fun and fresh, the large scale granite pattern recalls the typical sweep of exotic wood interspersed with quartz crystals. Misty grey, off-white and charcoal are touched with hints of soft rose and purple.

180fx

Piedmonte

(*Burnish*)

Inspired by beautiful large scale Mascarello granite from Brazil, Piedmonte captures the rich detail of the stone in soft tones of white, off white, taupe and warm grey.

180fx

Urban Travertine

(*Burnish*)

A perfect match for the elegance of modern architecture, Urban Travertine has a neutral creamy colour accented by subtle strokes of silvery grey.

ARTIS original 180fx

Bianca Luna

(Gloss)

Clean and classic, Bianca Luna quartzite is distinguished by a mosaic of large and small particulates threaded with shadowy veining throughout.

Amazing with shades of grey, black or white fascia's.

Ashford Black

(Granite)

Intensified by its depth and warmth, Ashford Black features finely drawn veins in black and white for a rich dramatic effect.

Autumn Nacarado

(Granite)

Nacarado quartzite embodies its name - "pearly" or "mother of pearl" in Spanish - with a creamy white/grey background laced with white veining throughout with crystalline details and whispers of gold, rust and grey.

Ivory Nacarado

(Granite)

Ivory Nacarado quartzite embodies the same pearly effect as Autumn Nacarado with a creamy white/beige background laced with white veining and details of gold, rust and brown.

Silver Nacarado

(Granite)

With a silver background, Silver Nacarado is laced with white and black veining throughout with whispers of charcoal, rust and grey.

Black Walnut

(Silkwood)

Exotic Black Walnut provides true elegance for heritage or contemporary kitchens.

POSTFORMED LAMINATE TOPS

180fx images are scaled to show a full size laminate sheet prior to trimming down to worktop width.
