**Easy maintenance**

Nuance bathroom surfacing couldn't be easier to keep clean. A simple wipe with a damp cloth and a gentle cleaner is all that it takes. There are no grout lines like tiles to worry about and the specially designed tongue and groove panels jointed with our bespoke adhesive means there are no dirt traps. So you can lie back and relax in that beautiful bathroom of yours.

## Absolutely waterproof

Nuance laminate panels are constructed from a patented core board that is certified as 100% waterproof and is exclusive to Nuance. Which means that you can be confident you are buying the best that money can buy.

And splash around as much as you like!

Please note that due to manufacturing processes, Bubble designs will not match across butt jointed T&G panels.

If in doubt, please phone 0161 224 0333 for advice.

**Sensuous stone**

Few can resist the allure of polished granite. Nuance Quartz designs recreate the magic of stone with realistic high print definition and metallic particles captured in lustrous high gloss finish.

Choose from a palette of white, black, cinder brown, and cream. The perfect way to give your bathroom an upscale look, without the expense or ongoing maintenance of the real thing.
